

Lift the roof for *new* adventures.

NEW Twin Sports Edition

The new Twin Sports Edition combining the best signature features of the award-winning Twin Supreme, with a fully integrated and aerodynamic Adria exclusive design new 'pop-top' roof and sleeping compartment, for extra versatility, comfort and accommodation for up-to 5 people. Available now, exclusively in White or Silver, in SGX layout.

Adria. Inspiration for your adventures.

TWIN SPORTS EDITION

EXTERIOR FEATURES

Escape the ordinary in the new Adria Twin Sports 640 SGX with full aerodynamic integration of exclusive 'pop-top' roof for more space and comfort, raising the standards for campervans.

INSPIRED DESIGN

Inspired Design with aerodynamic integration of lightweight composite pop-top roof, which enables additional mounting of solar panels and roof rack rails for extra storage.

The only pop-top roof campervan, with SunRoof® for natural light, enables fitting of air-conditioning (or midi heki in the back) and roof-mounted awning.

SIGNATURE FEATURES

Features Adria exclusive design SunRoof® and 'cabin-loft' open plan interior.

INSPIRED SOLUTIONS

Inspired Solutions for maximum sleeping comfort in best in class pop-up tent.

ROOF MECHANISM

- Ingenious, single pivot opening roof mechanism with extended side arms.
- Stability against winds when open and fully secure closure, when driving.
- Dynamic shape, robust integrated under-body, in lightweight GFK.
- Fully integrated design to fit with SunRoof® and optional roof equipment.

SLEEPING COMPARTMENT

- Acrylic-based materials, for insulation, water resistance & breathability.
- 120 cm x 200 cm sleeping compartment with comfortable bed.
- Useful storage space, USB ports and reading lights.
- Front opens to 110 cm; rear to approx. 40 cm for legroom and ventilation.
- Fixed side mosquito screens; front screen can be opened independently.
- Removable tent by Sattler for cleaning, storing and can even be recycled.

TWIN SPORTS 640 SGX HIGHLIGHTS

Available as the Twin Supreme 640 SGX layout, with many options including awning, air-conditioning and rear camera.

- Built on Fiat Ducato, with latest Euro6 engine choice and driver aids.
- Adria exclusive design SunRoof® and 'cabin-loft' open plan interior.
- Innovative 'pop-top' large sleeping compartment for 2 people.
- Available in White or Silver, with sporty new graphics.

Remove loose dirt regularly.

Never fold or store the cover when wet!

Never clean the cover with high-pressure cleaners.

INTERIOR FEATURES

HOME-STYLE FEELING

Home-style feeling thanks to the Adria exclusive design SunRoof® and 'cabin-loft' open plan interior and new 'pop-top' roof.
